

ISM Re-Opening Announcement

Alhamdulillah, we are pleased to announce that Islamic Society of Markham (Markham Masjid) will be re-opening from tomorrow, Thursday, October 29th, 2020, from Maghrib salaah onward in sha ALLAH. We have undertaken a full and thorough disinfecting and sanitizing of the entire building via a professional company with successful track record. **Capacity will be limited to a maximum of 200 Musalleen inside the Masjid.**

To ensure continued safety & health of Mussallem, we will strictly enforce the following procedures:

- Wear your own mask properly before entering the Masjid
- Keep 6ft apart and do not congregate at the entrances or anywhere else
- Must sanitize both hands at the door
- Do not come if you have any symptoms
- Bring your own prayer mat and shoe bag (**NONE WILL BE OFFERED**)
- Perform wudu and sunnah at home
- Come between Athan and Iqama and leave immediately after first Jammah
- Adhere to the staff and volunteers' instructions (abuse will not be tolerated))
- **Doors & windows will be open to let fresh air in for increased safety, as a result the Masjid will be colder than usual**

Please inform us immediately after you or any of direct contacts get tested positive for COVID-19. We owe it to our community.

ISM takes the health & safety of our staff, volunteers and congregants very seriously. Therefore, there will be **ZERO TOLERANCE** in implementing the health & safety protocols on ISM's property. Your understanding, patience and cooperation is needed to keep all of us safe & healthy during our visit to the Masjid. If we have to, we will be stopping anyone from entering or staying in the Masjid if we deem that person poses a health & safety risk to the community.

Jazakum ALLAH khair.
